Fall 2016 Update

Happy Rosh Hashana.

We remain deeply grateful for your prayers and support.

I want to inform you about some of our activities since the end of July.

We received a container from Nachamu Nachamu Ami organization, which included: incontinent supplies, baby diapers, clothes, shoes and toys for us to distribute among the needy in Israel.

With the help of the Dutch organization "Shoresh", we provided school bags in the city Tsefat and to the children in the Kindergartens of south Tel Aviv.

Love to the Needy is working in cooperation with Mesila, a center for assistance for migrant workers and asylum seekers in Tel Aviv.

In addition, we have provided food to needy families in the cities of Kfar Saba and Natanya.

It is a joy and a privilege to be your hands giving to the poor of Israel.

Dear Friends,

In July we at Mesila received a very generous donation of school bags and colorful letters from your foundation. During the past two months we have been distributing the bags and letters to refugee children in need. The children of the refugee community in Israel often suffer neglect, extreme poverty and abuse, and Mesila's mission is to ensure their well being. receiving nessecary eqipment for the beginning of the school.

The children of the refugee community in Israel often suffer neglect, extreme poverty and abuse, and Mesila's mission is to ensure their well being. receiving nessecary equipment for the beginning of the school year has an Enormous impact on the children's lives, as do the letters written to them by the children in Holland.

Attached is photos of the school bags being distributed to the children, which will hopefully help illustrate the difference you have made.

With much gratitude

Recently, Love to the Needy supplied diapers to two types of immigrant aid centers: Ukrainian in Beer Sheva, and Ethiopian in Netanya. Both of these immigrant sectors continue to live in poverty in Israel. Thank you to our donor Comfort Ye My People in Netherlands, and for our friends who are participating with us for gas for deliveries. These mothers are so grateful to you!

Many thanks and many blessings to you,
